

ایمان جعفریان هستم

من به صاحبان بیزینس ها و ادمین ها کمک می کنم تا محتوای گرافیکی قدرتمندی داشته باشند.

در نتیجه می توانند تأثیر گذاری شان را بسط داده و کسب و کارشان را در فضای مجازی ارتقاء دهند. باعث افتخار بنده است که در سال های اخیر توانستم پروژه های بزرگ و کوچک زیادی را با رضایت کامل کارفرمایان با موفقیت به پایان برسانم و تجربه های گوناگون و فراوانی را کسب کنم .

I am Iman Jafarian

I help business owners and admins to have powerful graphic content.

As a result, they can expand their influence and promote their business in the virtual space. It is my pride that in recent years I have been able to successfully complete many large and small projects with the full satisfaction of the employers and have gained many different experiences.
